Product Description

EGO POWER+ 600 CFM Backpack Blower Kit - LB6003

The EGO POWER+ 600 CFM Backpack Blower is up to 30* times quieter and weighs half as much as comparable gas blowers. Turbine-fan engineering moves air at a staggering 600 CFM. Variable-speed control allows you to dial the power up or down for superior control, from 260 cubic feet per minute to 600 cubic feet per minute, and the turbo button gives you max power for heavy-debris-clearing power. The Backpack Blower's high-efficiency brushless motor delivers longer run time, low vibrations, and extended motor life. Compatible with all EGO POWER+ ARC Lithium™ batteries to deliver Power Beyond Belief™.
