Product Description

EGO POWER+ 24" Hedge Trimmer - HT2400

The EGO POWER+ Hedge Trimmer not only delivers Power Beyond Belief™. It is equipped with 24" dual-action, hardened steel blades for precise cuts that promote new growth. It delivers 3,000 Strokes Per Minute (SPM) for clean, fast cuts; and a large cutting capacity that allows the trimmer to cut branches up to ¾" thick. It is also IPx4-rated for weather resistance. Compatible with all EGO POWER+ ARC Lithium™ batteries (available separately) to deliver Power Beyond Belief™.

****Battery not included****
