Product Description

EGO POWER+ 21" Dual Port Snow Blower with Steel Auger Kit - SNT2112

The EGO POWER+ Snow Blower delivers the power and performance of gas-powered snow blowers without the noise, fuss, and fumes. Featuring Peak Power™ technology, this cordless snow blower combines the power of any two EGO 56V ARC Lithium™ batteries for the performance to clear even the heaviest, wettest snow with a throwing distance up to 40 feet. Built with a high-efficiency brushless motor and steel auger, the EGO POWER+ cordless electric snow blower handles what the city snowplow leaves behind with ease, cutting through ice and snow 50% faster (compared to SNT2102). Experience Power Beyond Belief™ with the EGO POWER+ Snow Blower and the entire EGO POWER+ lineup.
