Product Description

Firman Gas Portable Generator 1500W Recoil Start - P01201

Known for its lightweight design and ease of use. The FIRMAN P01201 generator is the ideal companion for those on the go.

This portable generator is a complete powerhouse that weighs only 54 lbs and is ready to work whenever you need it. It's an ideal portable power supply for those who enjoy camping, tailgating, or need a last-minute solution for other recreational activities.

Regardless of the circumstance, FIRMAN is always on your side for whatever life throws at you and more!

The P01201 comes with an engine oil bottle, oil funnel, spark plug wrench, and double open-ended wrenches (10mm x 12mm)
