Product Description

Firman Gas Portable Generator 4450W Recoil Start 120V - P03501

Looking to take your generator game to the next level? You've come to the right place.

The FIRMAN P03501 portable generator comes with all the essential features you need to elevate your outdoor adventures to the next superior level with absolute ease.

Ideal for every occasion — Use it for the camper van, a backup power source, or when you just need a portable power supply for events and other recreational events.

At FIRMAN, we've always got you covered!

The P03501 comes with a cover, engine oil bottle, oil funnel, spark plug wrench, and two double open-ended wrenches (10mm x 12mm)
