Product Description

Firman Gas Portable Generator 4550W Recoil Start 120V - P03611

Let freedom ring. The P03611 portable generator is proud in stars and stripes graphics.

Whether you're having a fun weekend away or need a portable power supply available at your fingertips.

FIRMAN's portable generators are a perfect choice and best used on the go for camping trips, backup power, home projects or where ever you may need off-grid power.

The P03611 comes with a generous 5-gallon tank and provides up to 14 hours of run time at 50% load so that you can rest easily.
