Product Description

Firman Gas Portable Generator 4550W Recoil Start 120V - P03618

At FIRMAN, we think freedom has a nice ring to it.

The FIRMAN P03618 portable generator proudly displays and adorns itself with the graphics of stars and stripes.

It's an ideal companion for those who like to push their limits to enjoy the great American outdoors.

Use it for the family camper van, an off-grid road trip, or around your home and outdoor events. This powerhouse is always ready to work whenever you may need a backup power source, regardless of your circumstance.

The P03618 comes with an engine oil bottle, oil funnel, spark plug wrench, and two double open-ended wrenches (10mm x 12mm).
