Product Description

Firman Gas Portable Generator 7125W Recoil Start 120V - P05701

Smart. Compact. Powerful. Reliable.

At FIRMAN, we are constantly working to give you the best of the best powerhouses as leaders in the generator industry.

The P05701 portable generator features the brilliant design and quality you can expect from our popular FIRMAN performance series.

You can expect to have the best and most reliable home backup power when you need it most, no matter what situation comes your way.

Count on FIRMAN generators to get those tough jobs done smoothly!

The P05701 comes with an engine oil bottle, oil funnel, spark plug wrench, and two double open-ended wrenches (10mm x 12mm).
