Product Description

Yanmar Bull 3-Seat Gas UTV - Jobsite with Paved Tire Package

Regardless of what the job calls for, the BULL Series is more than up for the task. You'll find the power, precise handling and comfort to make even the longest days feel that much shorter. Tackle heavy loads with the help of a standard center-mounted, heavy-duty 2-inch receiver-style hitch capable of towing up to 1,500 pounds. Plus, enjoy a spacious interior and available electronic power steering (EPS) that will make you feel like king of the field. Ready to get your YANMAR UTV?
