Product Description

Generac GP2500I Portable Inverter Generator

The GP2500i inverter generator provides outdoor enthusiasts with a portable power solution designed for a variety of open-air festivities. From weekends in the woods to outdoor cookouts and get-togethers, these models provide the stable power you need without disturbing neighbors or surrounding wildlife.

Using TruePower™ Technology, the GP2500i produces the clean power required by a variety of sensitive electronics, tools and appliances. Compact and fully-enclosed, its lightweight design makes transportation easy, and its Economy mode feature also reduces fuel consumption rates and noise emissions to operate quietly for extended periods of time.

Whether you're tailgating for the big game or simply want to enhance your campsite experience without disrupting the environment around you, Generac's GP2500i inverter generator is right for you.

Features:

- **Compact and Lightweight** Makes transportation easy with built-in handle
- **Economy Mode** Automatically adjusts engine speeds to save fuel and reduce sound emissions
- **LED Indicators** Alert you when unit is low on oil, overloaded or ready-to-use
- **USB Port** For charging mobile devices
- **Parallel Ready** Allows you to connect two GP2200i inverter generators for twice the power
- **Low-oil Level Shutdown** Automatically safeguards engine from incurring damage
- **Covered Outlets**
Provide added protection from the environment
