Product Description

DR Power 5" PRO XL501 Chipper Shredder

Our most complete yard and garden cleanup machine. Devour branches up to 5" in diameter and shred yard and garden waste up to 1.5" thick. Get 20:1 reduction with our innovative shredding technology.

The PRO XL501 Chipper Shredder does it all. Its shredding action is produced by 24 serrated, free-swinging hammers. This superior shedding technology reduces lighter materials 20:1...pulverizing leaves, sticks and other yard and garden waste (up to 1.5" thick) into a fine mulch that you can compost or till into your soil. And its side chipper chute will demolish branches up to 5" in diameter. The PRO XL501 lets you get all of your yard cleanup done with one versatile machine.
