Product Description

E-Z-GO Express S4

The E-Z-GO® Express™ S4 boosts your experience with stylish features such as modern LED headlights, a premium dashboard outfitted with extra features, and storage, and sleek tire and wheel options. The journey is just as important as the destination with the enhanced front suspension on the Express S4 ELiTE, providing enhanced drivability and maneuverability. Always be good to go – for every ride – with the Express S4.
