Product Description

TrailMaster BLAZER 200EX GoKart

169cc GY6 engine equipped with EFI

The TrailMaster Blazer 200EX is an upgrade from our popular Blazer 150X, now with a bigger 169cc GY6 engine equipped with EFI. With fuel injection, users don't need to worry about starting in cold weather or at high altitudes; Furthermore, users don't need to fix or replace carburetors after periods of inactivity with the unit.
