Product Description

Kress 60 V 18" cordless brushless chainsaw - KG368

Kress battery-powered chainsaws offer a new benchmark in power and cutting capability. Dependable operation without fuel mixing, starter cords, chokes, and engine maintenance makes your difficult work a breeze. Enjoy professional-level performance without noise, complexity, and exhaust fumes.

- Petrol-like power and performance, perfect for tough applications
- Kress-built brushless motor delivers more power, longer runtime and extended lifespan compared to brushed motors
- Up to 78.7 ft/s high-speed chain, ensures higher cutting efficiency for fast and smooth cutting.
- Patented tool-less chain tensioning system guarantees optimum tension easily without using tools.
- Auto-lubrication during operation.
- Tooled side chain tensioning for the professional level chain tension.
- Part of Kress 60 V battery system, one 60 V battery can power all Kress 60 V tools
