Product Description

ODES JungleCross 800 ST-5 UTV

The Junglecross series has got you covered whether you're looking for a weekend warrior or a domestic workhorse. Using the most tried-and-true layout we've ever used. Half doors, windshield, roof with lightbars, 3500 lb. winch, turn signals, horn, LED lighting, and automatic dump bed are just some of the quality features included in these units. These units can accommodate the whole family, with space for up to five adults. Our sport option for the LT trim level includes larger shocks and aluminum wheels, giving you 15 inches of ground clearance for driving through the most difficult terrain.
