Product Description

Description

DeWalt Pole Hedge Trimmer Head with 20V MAX* Compatibility

Cut through a variety of landscape overgrowth with the Pole Hedge Trimmer Head. It is compatible with the 20V MAX* Pole Hedge Trimmer (DCPH820) and 20V MAX* Pole Saw (DCPS620), both sold separately. Its 22 in. hardened-steel, laser-cut blades are engineered for clean, fast cuts on branches up to 1 inch thick. The 7-position 180-degree articulating head allows you to customize cutting angles for hedges of any shape and size.

Features:

- Compatible With Both DCPH820 Pole Hedge Trimmer and DCPS620 Pole Saw
- Tackle Hard-To-Reach-Angles With 7- Position, 180°; Articulating Head
- Fast Cutting Up to 2800 spm When Used With Either DCPH820 or DCPS620
- Clean Cuts With 22 In. Hardened-Steel, Laser-Cut Dual Action Blade
- Cut Thick Branches With 1 In. Blade Gap

Includes:

- (1) Blade Sheath
- (1) DCPH820BH Pole Hedge Trimmer Head
