Product Description

Husqvarna 520IHT4 Battery Hedge Trimmer

Get to work with a superior battery tool. The Husqvarna 520iHT4 is a battery-powered pole hedge trimmer with a reach up to 14.7 feet. Designed for professional use, the 520iHT4 cuts wide, high and low hedges efficiently thanks to a telescopic tube and adjustable cutter bar. An innovative brushless motor ensures high torque at the push of a button, while the low noise and zero emissions mean you can use the trimmer anywhere. Save on the cost of fuel, filters, and more while giving your business an eco-friendly face. Waterproof. Compatible with Husqvarna's battery lineup, including the Bli950X backpack battery.
