Product Description

Husqvarna 580BTS Mark II Blower

For blowing performance that exceeds all expectations, count on Husqvarna's 580BTS II backpack blower. The 580BTS II is Husqvarna's most powerful backpack blower. Featuring best-in-class fuel capacity*, the blower helps you keep your professional productivity at its peak. Powered by Husqvarna's innovative X-Torq® engine technology, you'll enjoy more fuel savings and fewer emissions. Toolless handle adjustment and air filter access ensure easy servicing in the field. The hip/belt strap offers better weight distribution during long periods of use. When you need the best in the business, get a Husqvarna 580BTS II backpack blower. (*Based on fuel tank volume (fl oz). Class defined as pro-grade petrol backpack blowers with engine displacement in the 75cc to 80cc range.)

Features -
