Product Description

Husqvarna 2 Gallon Handheld Sprayer

Keep your lawn and garden healthy and vibrant with a Husqvarna sprayer. Perfectly sized for smaller jobs or spot treatment applications, this versatile handheld sprayer can be used around the yard or garden. Features a durable compression pump with steel rod and large, comfortable pump handle, as well as a commercial-grade shut off with comfortable grip, lock-on feature and easily cleaned in-line filter. A pressure release valve helps prevent chemicals from getting on you before you open the tank. The tear-shaped tank creates a low center of gravity for maximum stability. Features vertical wand storage with nozzle protection, a 48-in reinforced PVC hose and a 25-in stainless steel wand with poly liner. Includes a 3 nozzle kit.
