Product Description

54" TITAN® MyRIDE® Zero Turn Mower

Your lawn might look tame from afar, but you know what a battle it can be keeping that groomed look all season. Featuring some of the same technology used in our commercial line, the Toro 54" Titan is the perfect fit of pro power and luxury comfort to tackle your territory. Not only will you feel like you're riding on air with the MyRIDE® system, but you'll also have pro-level confidence with a commercial drop pin, canister-style air filter, a rubber chute, and large, rear-drive tires with aggressive tread for maximizing traction. And your bull is built to last with a wide front tubular axle, huge front tires, and a reinforced 10-gauge high strength deck edge with triangle bullnose. You'll also have peace of mind knowing Toro stands behind its products with a 3-year, 300-hour commercial engine limited warranty.† And as a Toro owner, you'll have access to more than 3,000 servicing dealers across the U.S. and Canada ready to assist you. Count on it.

- Tough on Jobs, Easy on Backs - Toro's MyRIDE Suspension System absorbs the bumps so you can comfortably crush jobs faster.
- Pro DNA - Commercial DNA courses through these machines' veins with the same technology professionals depend on. Get a beautiful, professional-looking lawn.
- Cut Like the Pros - Commercial-grade features include a commercial drop pin, canister-style air filter, and a rubber chute.
- Pro Performance - Blades spin over 18,000 fpm and baffles and airflow disperse grass for no clumps.
