Product Description

Billy Goat LB352 Vacuum

The LB352 vacuum weighing only 25.85 kg/57 lbs and 51 cm/20" wide is a particularly light and maneuverable entry-level vacuum featuring superior suction. The unit is ideal for vacuuming leaves, grass, flower heads, and seeds from pool areas, patios, or small gardens.

The wheel adjustment lever is simple to use and adjusts to hard surface or turf work and the 105 ltr capacity felt bag attaches quickly for easy cleanup.

Features -

Bag Attachment

Has a 105 ltr/28 gal capacity and is harness mounted on top and quick attaches on the bottom.

Briggs & Stratton 140 CC Series Engine

Provides long life and reliability.

Wide Nozzle

51cm/20" wide nozzle is a favorite for small gardens.

Wheel Adjustment

At your fingertips to accommodate hard surface or turf work.
