Product Description

EB252 Handheld Blower

Shindaiwa Blowers feature two of the largest displacement engines in the backpack market and two of the most powerful handheld models. Each backpack model features double-adjusting shoulder straps, padded backrests and ergonomically positioned controls for all day comfort. The handheld blower is durable and powerful, offering excellent fuel efficiency.

Features:

- 25.4 cc professional-grade, 2-stroke engine for outstanding performance
- 453 CFM, 170 MPH, and 15.8 N performance
- Double-grid design reduces intake clogging
- Exclusive curved blower tube provides rotational control to reduce user fatigue
- Posi-loc pipes for a secure connection
- Shoulder harness attachment points reduce user fatigue
