Product Description

EB262 Handheld Blower

Shindaiwa Blowers feature two of the largest displacement engines in the backpack market and two of the most powerful handheld models. Each backpack model features double-adjusting shoulder straps, padded backrests and ergonomically positioned controls for all day comfort. The handheld blower is durable and powerful, offering excellent fuel efficiency.

Features:

- 25.4 cc professional-grade 2-stroke engine
- Pleated paper main filter plus foam prefilter for performance in dusty conditions
- Secondary handle improves maneuverability and comfort
- Variable cruise control allows the user to lock the throttle at a variety of settings
- Chrome-plated cylinder increases engine life
- Double-grid design reduces clogging and interference with user's clothing
- Rubber grip increases comfort and reduces vibration
- Shoulder harness attachment points allow the use for a shoulder harness (sold separately) to support the weight of the unit
