Product Description

Toro 2000 Series 48" 24.5 HP 708cc - 77280

Now you can be more productive all-season long with the innovative Toro® GrandStand® MULTI FORCE stand-on mower that has the ability to attach a plow, power broom and bagging system. It features a 26.5 hp Kohler EFI 747cc engine and designed to give you even more productivity. The smaller footprint takes up less space on the trailer when transporting. Mows 25% faster with speed up to 10 mph, has a 10.5 gallon fuel tank that allows you to go farther and work longer. We've eliminated the hydraulic hoses, reduced parts, no routine greasing and simplified the design to save you time. All GrandStand stand-on mowers give you exceptional operator visibility which leads to less property damage and a higher quality of work. Best of all, great traction on slopes and maneuverability.

- Multi-season flexibility by adding plow, power broom and bagging attachments
- 25% faster mowing time with up to 10 mph
- Sleek, streamline design with elimination of extra hoses and parts
- Foldable platform has self-adjusting suspension and large open area to move around
