Product Description

GP5500 Portable Generator

The most powerful portable generator on the market is an exceptional value. Powerful enough to start many 5-ton air conditioning units and can provide power for up to 16 circuits.

The Generac OHV engine with splash lubrication provides a long engine life.

Large-capacity steel fuel tank with incorporated fuel gauge provides durability and extended run times

Low-oil level shutdown automatically safeguards engine from damage

Hardened 1 1/4" steel tube cradle for added durability and strength.

Fold-down, locking handle for sturdy portability and compact storage.

Hour Meter tracks maintenance intervals.

Heavy-duty, never flat wheels for reliable portability.

Covered outlets provides added protection from the environment and rugged working conditions.
