Product Description

1.5" Clean Water Pump with Hose Kit

Powered by a Generac 79cc OHV engine, the CW15K delivers the high-flow capacity you need to take on most pumping jobs. Use it to remove standing water from basement floors, drain swimming pools, empty window wells, you name it. All in a lightweight package that's easy to take where you need it.

Features:

- **Powerful Generac 79cc OHV engine**
- **Easy prime** custom funnel design for quick and easy priming
- **Ergonomic carry handle** with soft grip for comfort
- **All inclusive kit** includes 10 foot suction hose, 25 foot discharge hose, and strainer
- **Color-coded suction and discharge ports** to ensure the correct hose connections
- **Powerful pump** can easily pump up to 80 gallons per minute
- **High precision carbon ceramic mechanical seal** for long life
- **Onboard instructions** with icons of key touch points make this pump easy to use
