Product Description

2" Trash Pump with G Force

Designed for the toughest and dirtiest jobs, the T20-S features a powerful 211cc Generac G-Force engine that pumps up to 185 gallons per minute and passes solids up to 1" in size. Its large fuel tank with an integrated fuel gauge keeps this pump running for over 5 hours before refueling.

Features:

- **Durable 1" frame** to withstand the harsh environment
- **Powerful Generac G-Force 211cc engine with low-oil shutdown**
- Large 3-gallon fuel tank with incorporated fuel gauge delivers approximately **5 hours runtime**
- Onboard instructions with icons of key touch points make this pump **easy to use**
- **Color-coded suction and discharge ports** to ensure the correct hose connections (Blue = Discharge; Green = Suction)
- Easily pumps up to **185 gallons per minute**
- Silicon carbide mechanical seal for **long life**
